

DUNMOORE 

COMING SOON

NEW LIDL FOODSTORE AT BILLINGSHURST BUSINESS PARK

A DUNMOORE  development

Dear resident,

Dunmoore is undertaking consultation for a proposed new Lidl foodstore on the existing Billingshurst Business Park.

A planning application will shortly be submitted to Horsham District Council for the development of a foodstore with associated car parking. This neighbourhood foodstore will provide Billingshurst residents with a much enhanced shopping experience that complements the existing retail offering, whilst creating new jobs, full and part time for the wider area.
